# ARE YOU READY TO FRANCHISE?

Our partners understand the franchise business. We help potential franchisees make critical decisions on growth strategy, daily operations, organization, staffing and sales. We will discuss your current business and operating model which will enable us to determine if your business is ready to franchise.

Once all of the components are in place we will discuss which of the three programs are the best fit for you and your business.

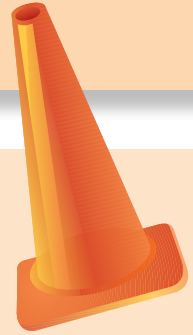

## Franchise Development Program Includes:

- Franchise Modeling
- Franchise Disclosure Legal Documents
- Franchise Business Plan
- Marketing and Collateral Materials
- Operational Manuals
- Sales Development Plan and Training
- Franchise Marketing Plan
